MARKET AWARDS

2017

Our Awards
 NABMA wants to promote what is best in the markets industry and we want you to help us identify the following:

MARKET TEAM OF THE YEAR

MARKET MANAGER OF THE YEAR

YOUNG MARKET CHAMPION
 (Someone involved in markets under 30 who is making a significant contribution to their market)

MARKET INNOVATION OF THE YEAR

If you think your market qualifies for one of these prestigious awards or you would like to nominate another market please let us know. Why not nominate a market manager or team? In terms of market innovation then please provide a short description of the idea, its impact and the beneficiaries. This may be included in our future NABMA Good Practice Guides. In terms of Market Manager and Team all we require at this stage is a nomination. We are looking for a Young Market Champion this year. Who is championing young entrepreneurship on your market? We will follow up with enquiries subsequently.

The awards will be presented during the Conference on the 17th - 19th September 2017.

OUR SPONSOR

We are grateful to Blachère Illumination UK who have agreed to sponsor the awards.

The closing date for entries is 29th August 2016. You can nominate yourself, or someone else, or promote a particular initiative that you have been involved with. We really want to recognise achievements and demonstrate that there is still much to celebrate in the markets industry.
