Market Tables

Our Market Tables are made from Zinc Plated Steel for extra durability

Market Stall Rail Tables

At TST Shading we know that the most important part of any display is the market stall table display.

A good display can be the difference in making a sale or not. We offer a comprehensive range of heavy duty temporary tables, step displays and folding rail tables in a selection of sizes which are designed to quickly and easily break down into small pieces for easy transportation to and from the Market.

Flat Open Rail Table

Quick and easy to deploy. Folding to 2m x 1m x .07m. Folds flat. 2m x 1m display space. 0.7m high. Weighs 21Kgs. Great for displaying products in trays. Strong construction made from zinc plated steel

Market Trailers

A selection of our best selling mobile Market Trailers

Classic Market Trailer

A lifting roof operated by a hand crank. It is completely set up in just a few minutes and can be equipped in various ways. It is the absolute classic market stall. A bread shelf for bakery products, a cold counter for cheese and sausage, gradual cooling for olives and Mediterranean specialities, a gas grill for steaks, bars for hangers or lockable drawers for jewellery. With this all rounder no boundaries are in sight. Available in 6 different sizes.

All our classic market trailers are individually crafted to your exact specification. Please call TST Shading where we can help you choose the right size at the right price!

Multi-axle Trailer with Slewing Ring

Our Multi-axle Market Trailer is exactly what you need. Simple load distribution thanks to variable distance, good driving stability, easy manoeuvring, no supporting feet or support wheel needed while loading and unloading. The type 700 with roller shutters can depending on the basic version be extended to up to 24m. With that, the type 700 offers a large mobile sales area which is suitable for almost every product.

Available in a wide range of colours, contact us for details

All our multi-axle trailers are individually crafted to your exact specification. Please call TST Shading where we can help you choose the right size at the right price!
