

NABMA MARKET AWARDS

2024

Our Awards

NABMA wants to promote what is best in the markets industry and we want you to help us identify the following

**Market Manager
of the year**

**Market Team
of the year**

**Market Achievement
of the year**

**Young Market Champion
of the year**

The closing date for entries is 31st August 2024. You can nominate yourself, or someone else, or promote a particular initiative that you have been involved with. We really want to recognise achievements and demonstrate that there is still much to celebrate in the markets industry.

If you think your market qualifies for one of these prestigious awards, or you would like to nominate another market please let us know. Why not nominate a market manager or team? In terms of market achievement then this may reflect an event, an idea, or a new approach that makes the Market special. Our Young Market Champion maybe anyone that is a credit to their particular Market. In terms of Market Manager and Team all we require at this stage is a nomination. For Market Achievement and Young Market Champion tell us some brief details and we will follow up with enquiries subsequently.
